Is this two titles?

*Pursued*

Lots of white space but it's  
confusing to look at.

*Happily Ever After: a Cautionary Tale of Romance*

*Pursued* is specifically for teenage & college-age girls who don't want to date just to date; girls seeking real tips and advice on love, dating, how to act in relationships, and where to set boundaries.

Girls who yearn for the fairy tale ending but don't believe in happily ever after.

*Girls who want to be pursued.*

why???

Excerpt:

Cinderella got it right. Ariel chased Eric, Belle saved the Beast, and while Princess Aurora and Snow White slept, Prince Charming pursued his lady. He knew what he wanted and what he wanted was Cinderella. She was mild, modest, and mysterious. She followed the dating rules.

*Rules?* For dating? That's crazy.

It's crazy *not* to have rules, especially if a girl plans on staying sexually pure until her wedding night.

should have been a  
blurb, not excerpt

Bethany Jett worked as a church youth sponsor since she was 17. She is her husband's greatest asset in their church youth ministry, working specifically with middle school and high school girls. As a result, she met a lot of guys. Bethany's website, EsthersBlessings.com, has helped girls all over the country, and all over the world. Since 2011, Bethany has been at the Beginnings Christian Church Women's Retreat and has spoken at various meetings for the past five years. She teaches small group Bible studies and is currently leading one with her husband.

Bio is a bit too long, especially in relation  
to everything else on the page.
